

CERTIFICATION

To Whom It May Concern:

This is a certificate that Creative Mirror and Showers, having a principal place of business at 2141 W. Army Trail Road, Addison, IL 60101 is trained ClearShield applicator.

Creative Mirror and Shower, advanced to a status of “ClearShield Marquis Dealer” which provides an advantage over other glass companies in having been backed by knowledge and hands on experience not only by ClearShield Technologies, LLC and Ritec Intl (ClearShield manufacturer), but also by ClearShield worldwide dealers.

ClearShield has over 30 years of experience and proven success record with distributors and applicators all around the world and has been applied to glass in many recognizable projects, including: Lloyds of London, Princess Cruise Lines, The Queen Elizabeth II, Royal Caribbean Cruise Lines, Hilton Hotels, Four Season Hotels, Airport Control Towers in United States, Hong Kong, England, Thailand, Scotland, Sweden, New Zealand and many more.

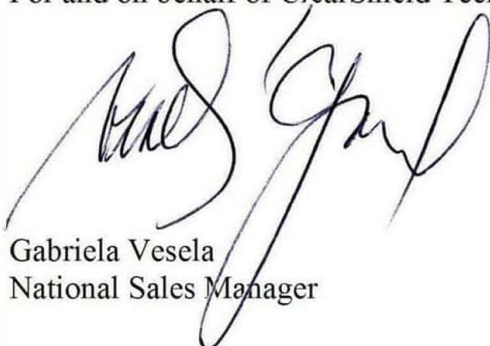

ClearShield was initially introduced to the architectural market for commercial and industrial buildings and ultimately to the shower enclosures, decorative glass and residential window markets. Today, The ClearShield System enables Creative Mirror and Showers to protect all glass surfaces in the factory or field settings.

ClearShield treated glass benefits include, but are not limited to:

- Staying cleaner longer
- Easier to clean
- Reduction of bacteria growth
- Helps keep your glass looking like new
- Protects your investment

ClearShield’s unique nano-technology makes molecules of ClearShield chemically bond to molecules of glass and create a long lasting, multi-molecular and durable bond. This helps to reduce cleaning time and eliminate the need for harsh cleaning chemicals, which creates an ECO-Friendly environment.
